

Mobile Deposit Customer Self-Registration Screens

Please ensure you have signed up for mobile banking and have the Heartland App with the most current updated version, prior to self-registering.

1. You will see the following screen “User Registration” the first time you go into “Deposits”.

It will prompt you to enter:

- First name
- Last Name
- Email Address
- Select Continue

8:15 AM

User Registration

First name

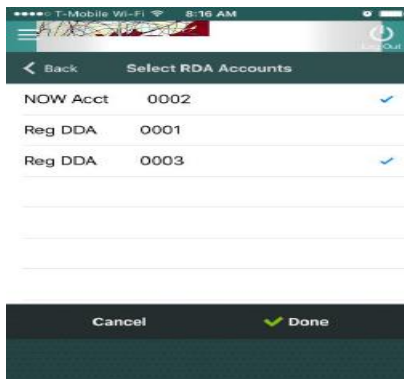

Last name

Email rthrom@jackhenry.com

Confirm Email

Cancel Continue

2. The next screen will allow you to add any accounts that you currently have, and then click “Done”.

8:16 AM

Select RDA Accounts

4. The last screen will show a confirmation that the registration is complete, along with your tier limits.

NOTE: System will only allow you to add existing accounts during self-registration. Any account opened in the future that you would like to add will need to be maintenance, by contacting your banker at any of our Heartland National Bank locations.
