

# Remote Mobile Deposit

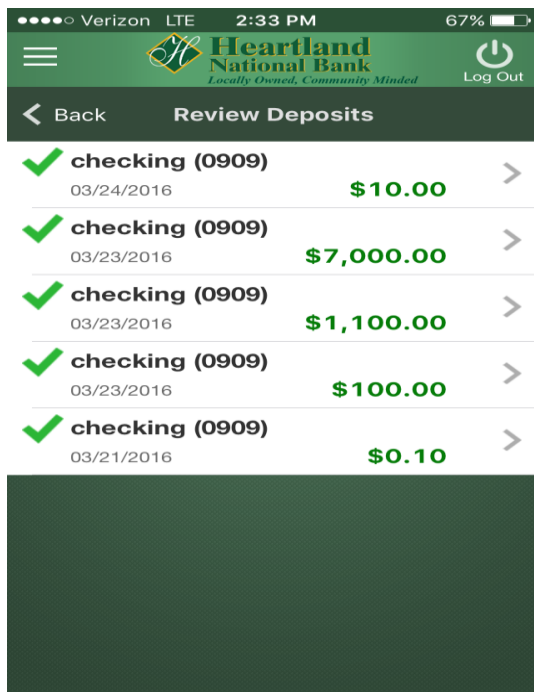

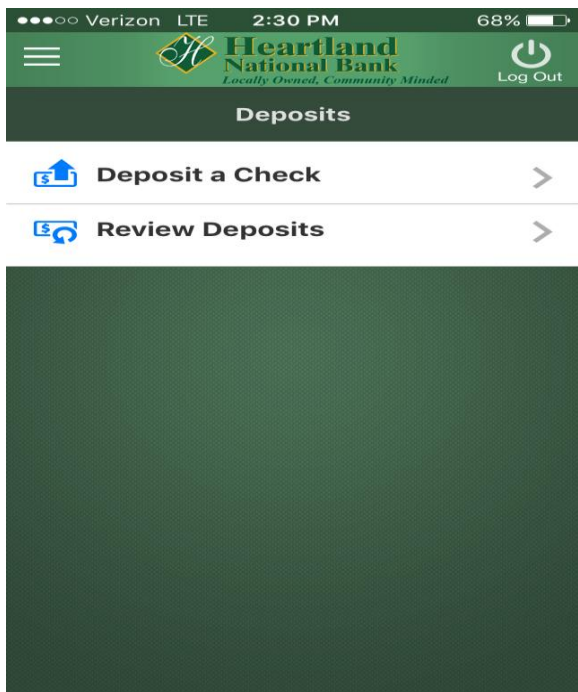

Use the “Deposit” option to deposit a check into your account from your mobile device, or review previous deposits to your account.

## Depositing a Check

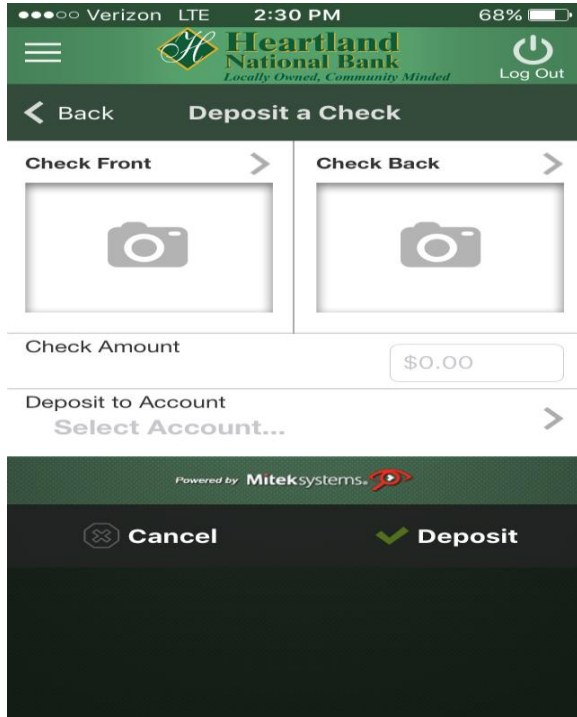

1. From the main menu, select the deposit option.

2. Select **Deposit a Check**. Select **Review Deposits** to see previous deposits to the account.

3. Select **Check Front** to take a picture of the front of the check using the mobile device's camera.
4. Select **Check Back** to take a picture of the back of the check using the mobile device's camera.
5. Enter the **Check Amount**.
6. Select **Deposit to Account** to choose the account for the deposit.
7. Select **Deposit** to deposit the check into the account.

8. **Deposit Confirmation** shows your deposit has been submitted and gives you a confirmation.
